Personal Comfort Kit™

16 Items Included In This Kit

Consists of durable nylon fabric

Equipment List

Main compartment

- Convenient carrying case, developed in Desert Camo, with extra pockets for personal needs
- 1 Stick Deodorant
- 1 (1.5 oz.) shave gel
- 1 (2 oz.) bottle of Shampoo and Body Bath
- 2 Disposable Razors

Personal Comfort Kit™ - Humanitarian Relief Missions

As the world is seeing an increase in the frequency of natural disasters and millions of victims become displaced from their homes for extended periods of time, Akar Logistics is now offering its popular Personal Comfort Kit™ for these persons.

Shelters can be overwhelmed with the immediate needs to provide hygiene products for these persons; to help combat the stress of being displaced, but also the dangers of diseases as well.

The Personal Comfort Kit™ comes packed complete with necessary hygiene products and is compact and durable, making them an ideal component to a shelters needs for the victims.

The Personal Comfort Kit™ is also ideal for the responding personnel; as they too have hygiene needs that must be met for them to successfully fulfill their mission.

These kits have been widely used by DMAT (Disaster Medical Assistance Teams) in the United States.

Personal Comfort Kit™

Designed in Desert Camo with durable nylon fabric. These kits come completely packaged with hygiene needs as shown in photo above. It can also be easily carried by the included handle.

Includes a multi-function strap, which can be placed over a showerhead, or tree (for use in the field). It is lightweight and compact enough to fit in the side pocket of a BDU, ALICE Pack, briefcase or overnight bag.

Personal Comfort Kit™ - Humanitarian Relief Missions

ES Apartment Safety Kit™

Although a large number of American's live in apartments in New York, Los Angeles, DC, etc., many of them do not have the basic items necessary to assist them during a power outage or emergency situation. That is why Akar Logistics® has created the ES Apartment Safety Kit™. This kit was developed to Akar Logistics's exacting standards of quality, durability, and high visibility. The kit is also designed for easy retrieval during an emergency for one person. Every apartment dweller should have an emergency kit on hand, and this kit is designed to make a difference when it is needed most.

Personal Comfort Kit™

Designed in Desert Camo with durable nylon fabric, these kits come completely packaged with hygiene needs as shown in photo above. It can also be easily carried by the included handle.

Includes a multi-function strap, which can be placed over a showerhead, or tree (for use in the field). It is lightweight and compact enough to fit in the side pocket of a BDU, ALICE Pack, briefcase or overnight bag.

29 Items Included In This Kit

High Visibility Case

Equipment List

- 15 Hand Sanitizing Wipes
- Deodorant
- Bath/Body Wash
- Hand Sanitizer
- Nail Clippers
- Lip Balm
- Toothbrush
- Toothpaste
- 2 Razors
- Shave Gel
- Wash Cloth
- 1 Comb
- 1 Pic

Transitional Care Pack™

20+ Items Included In This Kit

Equipment List

- 1 Pair of underwear
- 1 Pair of socks
- 1 Military brown t-shirt
- 1 AT&T 120 minute calling card
- 1 Personal Comfort Kit (containing 16 personal hygiene items. This is the kit we sell individually for the troops).

Many times, wounded soldiers are taken to field hospitals for treatment with little more than their battle dress uniforms (BDU's). That is why Akar Logistics® has developed the Transitional Care Pack™.

It has been shown that these products do make a difference in helping soldiers with the stress of being wounded and knowing that their sacrifices are not in vain. The kit is designed in desert camo and is also small enough to travel with the wounded soldier to Landstuhl, Germany for further treatment and finally stateside.

- 1 3600 Calorie Food Bar
- 1 Aluminum Flashlight (AA Batteries Included)

LS Disaster Response Kit™

LS Disaster Response Kit™ - 12.00 lbs

The events of the past several years have made it clear that people need to be prepared for the unexpected, be it a man-made or natural disaster. The best way to respond to these events is to be informed and ready. That is why Akar Logistics® has developed the LS Disaster Kit™, for individuals who are looking for a comprehensive safety and preparedness kit. The LS Disaster Kit™ is designed to sustain one person for 3 days and includes: food, water, first aid equipment as well as signal equipment (to assist rescue personnel). The LS kit is a smaller version of the SLT and is designed in the same manner as all of our products: compartmentalized, high visibility and quality products.

LS Boater's Safety Kit™

When you leave the dock for a day of boating, are you prepared for the unexpected? Are you ready to handle an emergency? Akar Logistics's Boater's Safety Kit™ can help. Dave Krueger, founder and president, has created this kit after 8 years of Marine Patrol and Search & Rescue on Lake Erie.

Too many times I have been involved in Search & Rescue operations where the victims did not have the necessary resources to assist themselves. When an emergency strikes on the water, you can't get out of the boat and wait for someone to come along and help as you can on the road. Many times you are on your own, or help is delayed in getting to you, says Dave Krueger. Accidents can happen on smaller lakes, even where you can see the shore.

53 Items Included In This Kit

The bag is designed to float; and it is constructed of durable nylon fabric, which is also high visibility orange and is mold and mildew resistant.

LS Boater's Emergency Bag consists of 3 distinct compartments

Equipment List

Main compartment

- Lockback Knife
- Multi-Use Utility Tool 15 tools in 1 (stored inside a key float)
- Heavy Duty Aluminum Flashlight attached to key float
- Rescue Throwbag (50' of floating line) Unless you are trained in water rescue, it is suggested that you never jump into the water to save someone who is conscious. It is always safer to throw something to them. That is what this bag is designed to do.
- 20' Of Line suggested use is light towing or mooring needs

First Aid Equipment compartment

- 40 Piece First Aid Kit

LS Automotive Safety Kit™

Whether taking a trip cross country or driving to the corner store, Akar Logistics® can help you prepare for the unexpected. Many drivers take their safety and that of their passengers for granted. Akar Logistics® has created an LS Automotive Safety Kit™ for roadside emergencies. This kit is designed to assist drivers who find themselves needing emergency equipment while out on the road.

Without proper preparation, families can be caught off guard. For peace of mind, equip your loved ones with the Akar Logistics® LS Automotive Safety Kit™. 6.05 lbs

Equipment List

60 Items Included In This Kit

High Visibility Automotive Safety Bag & Carrying Case

All of Akar Logistics's products are contained in custom designed, extremely durable cases. These are also screen-printed and labeled, allowing compartmentalization of the products and easy identification and retrieval during an emergency.

Middle compartment

- Jumper Cables
- 6 Bungee Cords
- Siphon Pump
- Pair of Gloves
- Aluminum Flashlight
- Rain Poncho
- 12-Hour Glow Stick
- Utility Tool 14 tools in 1

1st aid compartment

- 40 Piece First Aid Kit
- Latex Gloves To provide protection against blood borne pathogens if needing to assist another individual who is bleeding
- Thermal Blanket To provide protection against hypothermia; lowering of the core body temperature. Can also be used to provide aid to an individual suffering from shock

Signal compartment
